Captain Hook, (MC), USN
Force Medical Officer
Commander, Third Fleet

Dear Doctor Hook,

At the conclusion of my present tour of duty I will have served with various units of the Amphibious Forces for almost two years. Unless there is an urgent need for my services in a position where this experience would be of value to the Amphibious Forces, I should like to gain experience in other aspects of naval medicine.

It is for this reason and upon the advice of Doctor C.H. McMillan of the Detail Section that I am writing to give preferences for future duty. The following choices are given for your consideration; sea duty, upon a combatant ship preferably a cruiser; shore duty, at an active base or mobile hospital for " Instruction in Surgery "

Thanking you for your kindness, I remain,

Sincerely yours,

Allen Y. DeLaney
Lieut., (MC), USN
